ÁNGELA RUIZ RODRÍGUEZ

Junior Frontend Developer

Full Stack Developer transitioning from a background in Tourism with over five years of customer service experience. Proficient in HTML, CSS, JavaScript (ES6), React, and Node.js, with hands-on experience gained through the Iron Hack bootcamp. Currently expanding my technical expertise at 42 Málaga. Developed user-focused projects like a responsive e-commerce app. Valued for adaptability, proactive problem-solving, and strong communication skills, I aim to deliver seamless and impactful web solutions.

EDUCATION

- **Full Stack Web Development Bootcamp**
  Iron Hack (2024)
  Completed an intensive 9 weeks, hands-on program mastering full stack technologies like React, Node.js, and JavaScript, with a focus on building scalable and user-centric web applications.

- **Cursus C Student**
  Coding School 42 Malaga (2024- Present)
  Peer-to-peer learning program focused on programming, algorithm optimization, software engineering, and creative problem-solving through project-based challenges, fostering autonomy, collaborative learning, and continuous problem-solving skills.

- **Marketing Digital & Branding Program**
  Generation Spain, McKinsey & Company (2019)
  Specialized course funded by Fundación INCYDE, where I gained skills in SEO, SEM, social media management, influencer marketing, and digital marketing budgeting. Developed a marketing plan for a real business, combining technical and creative strategies for online growth.

- **Master's & Bachelor Degree in E-Tourism**
  University of Málaga (2017-2018)
  Specialization studies focused on training tourism professionals in digital tools to drive innovation in the sector. As part of the Innovation and Web Information Systems module, worked with WordPress and Agile methodologies (SCRUM) to develop innovative tourism applications.

EXPERIENCE

- **Front Office Receptionist**
  NH Utrecht Hotel (The Netherlands) | 2022-2023
  - Delivered exceptional multilingual customer service, managing reservations and ensuring guest satisfaction in in this hotel of 276-room hotel with 18 floors working in an international team.
  - Consistently ranked in the top 3 receptionists for upselling services (breakfast packages, room upgrades, and other extras) between January and June 2023, contributing to revenue growth.
  - Coordinated events and collaborated with multiple departments in an international and multidisciplinary environment to enhance guest experiences, attending to an average of 150–200 guests daily during peak seasons.

- **Monument receptionist**
  Roman Theatre of Malaga (Spain) | 2019 - 2022
  - Welcomed and assisted over 150,000 visitors annually at Málaga's most visited monument in 2021, providing detailed cultural and tourist information.
  - Ensured safety and preservation of the heritage site while compiling visitor statistics for operational improvement.
  - Provided personalized service to an average of 400–500 visitors daily during peak seasons, adapting to diverse cultural and linguistic needs.
